No. 44368-6-11 DEPUTY
STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

STATE OF WASHINGTON)

Respondent,)

v.)

Joshua Emmanuel Howard
(your name))

Appellant.)

I, Joshua E. Howard, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

The Judge should have instructed the Jury that
it had to choose which event they were relying
on to find me guilty the incident inside the house
or the incident outside the house

Additional Ground 2

There was no premeditation so I should have never
got charged with first degree attempted Murder. Without
premeditation they can only charge me with attempted
Murder 2nd degree

If there are additional grounds, a brief summary is attached to this statement.

Case No. 44368-6-II

I feel that it was a error for the Judge not to instruct the jury that it had to choose which event the incident inside the house or the incident outside the house because how they put it was that the incident inside the house was assault first and the incident outside was attempted first degree premeditated Murder. I feel that a error like that would have changed the outcome of the trial and the outcome of how much time I got I also feel there was never no premeditation so I should have never got charged with first degree attempted premeditated murder. without premeditation they can only charge me with attempted murder 2nd degree. I feel my case should be remanded to the trial court to correct these errors or to look into them so I can know what incident they were relying on to find me guilty of
